# A NOTE FROM JESSE

Happy New Year everyone!

It's hard to believe that we are now five months removed from the summer of 2011. New Year's Day is now clearly in the background of time and we are only a few days away from the biggest football game of the year! Like camp, the preparations for a football season consume the year and the "big event" itself, like camp, comes and goes too quickly. Like camp seasons, it will be sad to see the football season come to an end and like camp, another season is always just around the corner.

We are reaching a milestone this summer, Camp Eagle Hill's **50<sup>th</sup> Anniversary**. I can remember driving to camp so many years ago with my parents and siblings and dreaming about what camp would look like so many years later. After five decades in the camp business, we have so much to be proud of, having built a beautiful camp facility and a camp tradition that has touched the lives of so many people over the years.

Eagle Hill continues to move forward, planning and creating great camp seasons. For 2012, we have a new **Gluten Free kitchen** on the way, we have plans for a **new amphitheatre** in the works, we will be putting together a **new look for our archery area** and committing to **bigger and better modes of transportation** for the camp season. We are only a few weeks away from a new camp website with a web-based database system and digital camp forms for use. Our new videos and a new camp brochure are already a big hit with families considering Eagle Hill at this time.

If you have not already enrolled, join us now for our fiftieth. **If you know of any friends or relatives looking for a great camp experience, please have them contact us right away!** If you have already enrolled with us for the upcoming summer, get excited as we expect the 2012 camp season to be bigger and better than ever. We wish everybody a great winter and a wonderful start to spring ahead! Our regards to everyone...

*Jesse*

## GLUTEN-FREE MEALS AVAILABLE FOR 2012

*We are in the midst of designing a new **GLUTEN-FREE** kitchen space for those children (or staff members) in need of a gluten-free diet.*

*Our plans include:*

- ★ A fully separated and **DEDICATED KITCHEN SPACE**
- ★ A full **GLUTEN-FREE** menu including not only main courses, but also a **SALAD BAR** and **DESSERTS**
- ★ A dedicated chef experienced in preparing **GLUTEN-FREE** meals

*We are looking forward to having a good number of children with us on the basis of this new program. If you know of any family that would like to have their child join us with this new service in mind, please contact us as soon as possible!*
