

2017 CAMP EAGLE HILL BANKING FORM

Please return this form with a check for your child's "Spending Money" account

Our campers typically go on day trips by division from camp **during weeks two through five**. We cover the cost of all trips from camp, all entrance fees or other costs associated with activities or events that are a part of camp trips. "Spending Money" provided to your child in advance of their stay at camp will cover any souvenirs or refreshments that your child might buy when participating in our camp trips. Below you will find amounts of money listed for different age groups. We will be providing set amounts of money for all day trips (and the Teens three day trip) to each camper participating on these trips.

"Spending Money Information" Please do not send cash to camp with your child. We much prefer a check sent with this form in advance of camp. All amounts listed below are required amounts of Spending Money. When going on trips, we will be providing each camper or CIT with the same amount of Spending Money from their own individual account throughout the entire summer. Please do not send larger amounts of money for any age group. As a note, older campers need extra money as outlined below, especially during August for use during our extended trips. **Please make out checks to "Jesse Scherer"** (this will keep us from having to deposit your check in our general Camp Eagle Hill business account) **and on the front of the check state that this is for your child's "Spending Money" account. We will make sure that the money gets into your child's account.**
